

# Make your own Centipede Dragon garland!

Tape head to the first link

Tape tail to the last link

Attach this end to the opposite end to form a link

Thread this strip through another link, and then attach ends

Thread this strip through another link, and then attach ends

Thread this strip through another link, and then attach ends

Make as many links as you want in any colors, or decorate each link on your own!

Attach this end to the opposite end to form a link
